Health.C/Circular/RGU/2018/19

Dated: 17.02.2026

CIRCULAR

It has come to the notice of the University Administration that the wards of some employees (teaching and non-teaching), during the employees' leave period, stay at native places, or while being out of station, have availed medical treatment from various CGHS/State Government hospitals without obtaining prior administrative approval and/or referral from the University Health Centre. Subsequently, medical bills are being submitted for reimbursement.

Such cases cause inconvenience to the University Administration, as medical reimbursement cannot be processed in the absence of prior approval or a valid referral order. In this regard, the Health Centre has already uploaded the prescribed codal formalities and procedures for medical reimbursement on the University website.

In view of the above, it has been decided that henceforth no medical reimbursement claim shall be entertained or sanctioned without prior administrative approval and/or a referral order issued by the University Health Centre.

This circular shall come into force with immediate effect.

This is issued with the approval of the Competent Authority.
