Notice

Student internship program

Application from eligible candidates are invited for two months Student internship program in SERB sponsored project "Development of mechanical energy harvesters for self-powered electronic and healthcare devices" at Department of Physics, Rajiv Gandhi University, Arunachal Pradesh.

Number of Interns: 1 (one)

Duration: Two months (tentatively June-August 2023)

Essential Qualification: Currently enrolled in M.Sc. program in Physics with a minimum of 55% marks in 1st semester.

Emoluments: Rs. 5000/- per month (fixed)

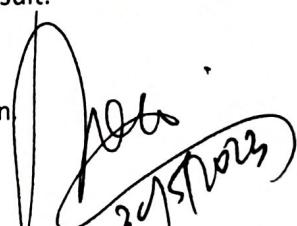

How to apply: Interested candidates may submit their detailed CV, copy of marksheets and one page write-up (11 front size with 1.5 spacing) on the project theme to the Principal Investigator Dr. Sayan Bayan, Assistant Professor, Department of Physics, Rajiv Gandhi University via e-mail sayan.bayan@rgu.ac.in. The subject line of the e-mail should be 'Student internship position in SERB Project'. For any query candidates may contact PI (Phone 9681726072).

Selection method: Based on academic credential and research write-up. APST students will be preferred. Selected candidate will be intimated by e-mail/phone.

General Conditions:

- i. Preference will be given to 1st year M.Sc. students.
- ii. Upon selection the candidate must join within 7 days from the date of intimation of result.
- iii. Upon joining accommodation has to be managed at own.
- iv. The post is purely temporary and cannot be extended beyond 2 months.
- v. The University reserves the right to cancel the internship without assigning any prior reason.

Last date for submission of application: 13th June, 2023

(Dr. N. T. Rikam)
Registrar, RGU
